TRI HI Y

The purpose of the Mary Lyon Tri-Hi-Y Club, a branch of the Y.M.C.A., is "To create, maintain, and extend, throughout the home, school, and community, high standards of Christian character."

This year's membership consisted of sixty-eight junior and senior girls who were willing to live by the standards and principles of the organization.

The Tri-Hi-Y sponsored various money-raising projects to purchase food packages for needy families at Thanksgiving time and to sponsor "Our" war orphan in Germany.

Speakers, often ministers, other prominent people from Waupun, and persons connected with other "Y" organizations were presented at the meetings.

The Waubunette featured everything from music events to athletic happenings. "Elmeria" and "Senior Personality" were articles enjoyed regularly with "Daffy Definitions" being introduced this year as a new column.

Editor Marlene Reideman and Assistant Editor Charlotte Greene worked hard with our advisors, Mr. Dohmann and Mrs. Wucherer, to make our paper a success.

"Learning to do, doing to learn, learning to live, and living to serve" is the official F.F.A. Motto.

The chapter, assisted by F.H.A., entered a float in the Homecoming Parade.

The annual Father-Son Banquet was held in February.

Three F.F.A. basketball teams played in the youth league this year. The A and B teams are composed of seniors, juniors, and sophomores; the C team is composed of freshmen. This year the A team regained its prestige by defeating the Warrior B team in the annual contest at the Alumni game. The purpose of the Dramatics Club is to give practical experience in the interpretation and production of plays and to encourage appreciation and interest in better drama among high school students.

The members went to see a Wisconsin Players' production, and they presented a one-act comedy for the student body during the annual Christmas assembly. The club also helped the chorus depict various scenes and create different moods during the Choral Christmas Concert.

Play production also gave students an apportunity to be in the work-crews, as well as to demonstrate acting ability.

Mr. Hintz and Miss Vaughan supervised the activities of this organization.

Many students find that forensics is an interesting activity. The various divisions which may be entered include humorous and non-humorous declamations, original and non-original oratory, four-minute speech, extemporaneous and interpretative reading, extemporaneous speaking, and play-reading.

Winners of the Waupun High School competition enter the Little Ten Contest. The students with A ratings have an opportunity of going to the District, and, perhaps, to the State Contests.

The forensics coaches are Mr. Casper, Mrs. Luck, Mrs. Kastein, Miss Bloom, Mr. Hintz, and Miss Vaughan.

DEBATE

The Waupun High School debate teams were very active in inter-scholastic competition from October to February. The A, B, and C teams debated the proposition, "Resolved: That direct United States economic aid should be limited to technical assistance and disaster relief."

The A and B teams participated in three invitational tournaments in Sheboygan, West Bend, and Neenah, and the C team competed on a local basis in intramural competition. The A team also took part in the Little Ten Tournament in Hartford, and the District Tournament in Green Bay.

Some of the main activities of the club were trying to work out the problems of the student body, sponsoring the Alumni basketball game and dance, conducting locker inspections, and planning the assembly programs for the following year.

We also had a chance to see how nice everyone looked when "dressed-up" during the day set aside for that purpose.

SERVICE CLUB

The members of the Service Club sold and took tickets at the athletic events, acted as ushers at concerts, and guided parents during the P.T.A. open-house.

The club also enjoyed and participated as a group, in bowling, basketball, and volleyball.

TUNE UP
YOUR
MOTOR
Has your motor lost its pep and power?
Gums on valve stems rob your motor of compression.
Let us "tune-up" your motor and bring back its surge of power by adding Shaler-Rislone to the regular oil in the crankcase. This remarkable Oil Alloy actually dissolves gums as you drive . . . Frees the valves . . Restores compression. Shaler-Rislone "tunes-up" all engines. Drive in to-day.

I like to fly model airplanes.
